

BOARD AND MC ACTIVITY FOR THE MONTH OF MAY/JUNE 2018

1. The corporate attorney has submitted a revision of the community legal documents that would conform to Florida 720. The revisions are under review by the document committee.
2. Green Tops Tree service has trimmed the Oak trees along Old Venice Road and inside the fence behind the Cottages. Further trimming of the Oak trees was completed on Rivendell Blvd down to Rainbow Point.
3. The Pool Project is completed. Consideration on possible video security is under review.
4. A Pond and Preserve Committee has been formed to better manage these community assets.
5. An improved process to identify and deal with compliance issues has been implemented and continues as a work in progress.
6. The revitalization plan for the Rivendell Bridge Project continues to be developed.
7. Trespassing, including non-resident fishing, is under review to consider how to deal with this issue.
