All Rivendell Residents,

The Board approved relaxing restrictions for the operation of the swimming pool facilities at the March 10th meeting. Effective immediately and in alignment with the documents, "the owners and their family members, guests, licensees, invitees and lessees" are permitted to use the pool and the playground. Every adult homeowner, visitor or guest must sign a waiver of liability, available on the Rivendell website, and submit the document to Crystal Meiorow, LPM property manager, before entering the pool. The playground is open for use with parental supervision. All amenities are now open for use with the understanding it is at your own risk.

The Board recommends:

1. Social distancing
2. Keeping chair six feet apart unless with family members.
3. Wearing a mask if you feel it's necessary.
4. Not coming to the pool if you are ill.
5. Using common sense.

Sincerely,

Rivendell Board of Directors
